## Your **SLEMCO Meter** is Getting **Updated!**

SLEMCO is always looking for ways to serve our customers better, faster and more efficiently. Keeping our equipment current helps us do just that. And that's exactly why updating meters to conform with the demands of today and tomorrow, will begin soon.

### **YOUR NEW UPDATED DIGITAL METER CAN:**

- Monitor and manage your power usage more easily
- Improve efficiency & reliability
- Improve our response time to emergencies and outages
- Helps us keep the cost of electricity down

Your SLEMCO updated digital meter gives you a level of individual service, response time and troubleshooting second to none in the country. At the same time, it will help us better manage the cost of providing energy to you and every customer we serve.
